The camp advises that mail sent after 5:00 p.m. on Tuesday may not arrive until after the Scouts have left camp.

An equipment list is printed below. *Every item on the list is important, unless it is identified as "optional".* Your name should be printed on EVERYTHING in indelible ink.

Scouts are asked to leave their cell phones and other electronics at home. *We are trusting that Scouts will get along at camp without their cell phones or other electronics, and Scouts who bring these items are breaking this trust, which has consequences.*

If you are paddling around the island, some of these items will be packed in your separate dry bag for that trip (see that list). Otherwise, everything should be in a duffel bag (max 50 lb). External frame backpacks are not allowed. Bags will be piled together and tossed down human chains, so carry breakables with you. **Your bag should have your name and Troop 2 printed boldly on the outside (e.g., on duct tape) so it can be identified in the pile.**

We are suggesting $40-$50 for supplies, souvenirs, and snacks. One of the parents will serve as troop banker to hold money for Scouts if desired. Money earned by Scouts for aluminum contributions this year will be distributed at camp.
