The Mother's Club of Boy Scouts of America Troop 2, is proud to sponsor the Annual Spring Auction Dinner on Saturday, March 13, 2010. We hope you will contribute to our yearly fund raising event by making a tax-deductible donation of products, or a gift certificate for services, to auction at our event. All proceeds from your donation will go towards supporting the activities and educational opportunities of Troop 2.

This year, Troop 2 celebrates its 63rd year of service to the Westside, and is one of the oldest and largest Boy Scout Troops in the Western United States. The Troop currently has over 90 active Scouts and over 1000 alumni Scouts, including 266 Eagles. Troop 2 has a proud tradition of engaging young men in active community service, offering extensive training programs in leadership skills, and first aid preparation for emergency situations of all types. Troop 2 also creates opportunities for the young men to experience the great diverse natural beauty of the outdoors with a focus on teaching skills on the care, respect and responsibility for balance of the ecological environment we all share.

Over the past 60 years Troop 2 has been an active force enhancing the community with its scouts' skills and volunteer projects. Troop 2 has helped earthquake victims, beautified local schools by planting gardens and painting and fixing up play yard equipment. Troop 2 has participated in conservation work in the Santa Monica Mountains and has been involved in many more activities that benefit our surrounding communities. We are proud of our young men from Troop 2 who have been acknowledged and accredited with using their first aid skills to save more than 50 lives since 1946.

Troop 2 teaches Scouts to treat others with respect, honesty and kindness. Troop 2 does not engage in or condone discrimination of any kind.

The Spring Auction Dinner is our only fundraiser for the year. Your contribution towards our silent auction would be much appreciated. Names of donors will be posted prominently at the event and in the Silent Auction Catalog.

Our scouts depend on the support of community participation. With your support, we can continue to create opportunities and programs to assist Santa Monica boys to grow towards a fulfilling and productive manhood through active service to the surrounding communities and understanding of the natural environment.
