November 30, 2011

The Mother's Club of Boy Scouts of America Troop 2 is proud to sponsor the Annual Spring Auction on Saturday, March 3, 2012. We ask that you consider contributing to this important fundraising event by making a tax-deductible donation of products or services. All proceeds from your donation directly support the activities and educational opportunities of the scouts in Troop 2.

This year, Troop 2 celebrates its 65th year of service to West Los Angeles. Ours is one of the oldest and largest Boy Scout Troops in the Western United States! The Troop currently has 103 active Scouts and over 1,000 alumni Scouts -- including 294 Eagles. Our troop has a proud tradition of engaging young men in active community service offering extensive training programs in leadership skills and first aid preparation for a multitude of emergency situations. Troop 2 also creates opportunities for young men to experience the vast, natural beauty of the outdoors focusing on teaching skills for the care, respect and responsibility of the environment we all share.

For the past 65 years, Troop 2 has been an active force in the community with its scouts' skills and volunteer projects. Troop 2 has helped earthquake victims and beautified local schools by planting gardens and repairing play yard equipment. Troop 2 has participated in conservation work in the Santa Monica Mountains and has been involved in many more activities that benefit our surrounding communities. We are proud of our young men from Troop 2 who have been acknowledged and accredited with using their first aid skills to save more than 56 lives since 1946. Troop 2 teaches Scouts to treat others with respect, honesty and kindness. Troop 2 does not engage in or condone discrimination of any kind.

The Annual Spring Auction is our only fundraising event. Your donation is vital to its success – and very much appreciated. In recognition of your generous support, your Name and Company will be prominently featured at the event and in the Auction Catalog.

Our scouts depend on the support of community members like you. With your help, we can continue to create opportunities and programs to assist local boys to grow towards a fulfilling and productive adulthood through active service to their communities and understanding of the natural environment.

For additional information contact Mary Pavlica at 310-398-9832 or to make a donation please complete the enclosed donation form and return to Pip Fragomeni at 1007 Euclid Street #4, Santa Monica, CA 90403.

With gratitude,
The Troop 2 Mothers' Club
